our brand new single!

Listen to Two Lips

## BIO

Beau Nectar is a bilingual collaboration between two singer-songwriters Marie-Clo, and éemi. The duo delivers intimate and vibrant synth/pop/folk with fauna and flora inspired concepts, that spark their fans' empathy towards nature.

The duo signed with Indica Records and released their first album Two Lips on June 2nd/2023, and re-released as a deluxe album on May 10/2024. Their first English album "Dandy" is set to be released winter 2026.
